4. (U/AIUO) SMAG Appointment

25X1A [REDACTED] PTOS has been chosen to serve as a clerical representative of SMAG.

5. (U) Intelligence Community Reorganization

The Director of Security announced that President Carter may announce his decision regarding reorganization in the near future, possibly as early as next week. The President has been presented with options ranging from retention of the existing Intelligence Community structure to a major restructure permitting centralized control in the areas of budget and command.

6. (U) Project Outreach

Mr. Gambino reported that the DCI has not reached a firm decision regarding public tours of Headquarters Building. A target date of 20 August has been set for a tour limited to dependents of employees. This exercise will involve solicitation of comments regarding the general concept of public tours and reaction to the quality of exhibits. If the DCI approves public access, Mr. Gambino noted that Office of Security participation would feature the highest degree of professionalism, both in support and selection of material to be exhibited.

7. (U) OS Policy on Access Approvals

The DD/P&M noted that OS has taken a positive step to reduce the number of access approvals for Sensitive Compartmented Information held by employees. When an employee leaves OS, he will be fully debriefed. As an adjunct to this procedure, a study will be made to determine if OS employees holding access approvals actually need them.

8. (C) Industrial Polygraph

The Chief, Polygraph Branch reported that his recent trip to the West Coast associated with a pilot program involving polygraph testing of contractors' employees was productive and well received by industrial personnel, including executives and security specialists. The trip
